

Financial Assistance Policy – Plain Language Summary

Wray Community District Hospital (WCDH) is committed to enhancing the health and well-being of the residents in the community.

In keeping with our mission, WCDH provides free or discounted emergency and other medically necessary care to patients who are either uninsured or underinsured and who qualify for assistance under its Financial Assistance Policy. **Financial assistance does not apply to elective services.**

Eligibility Requirements and Assistance Offered Under the Financial Assistance Policy

Patients who qualify for assistance are eligible for discounts for emergency and other medically necessary care based on multiple factors including, income, household size, and other available assets. In general:

- **Patients whose household income is at or below 200% of the Federal Poverty Level are generally eligible for free emergency and medically necessary care.**
- **Patients whose household income is between 200% and 300% of the Federal Poverty Level are generally eligible for a 75% discount for emergency and other medically necessary care.**

A patient who qualifies for assistance under WCDH's Financial Assistance Policy will not be charged more than amounts generally billed to patients with insurance, for emergency or medically necessary care.
